Corrigendum

Original citation: J. Clin. Invest. 2012;122(7):2331–2336. doi:10.1172/JCI60229. Citation for this corrigendum: J. Clin. Invest. 2012;122(9):3368. doi:10.1172/JCI66121. In the second paragraph of the Introduction, the final two sentences were incorrect. The correct sentences are below. Finally, individuals with non–type O blood have decreased clearance of von Willebrand factor (vWF). Since FVIII circulates in plasma bound to vWF, an increase in plasma vWF is also associated with increased levels of FVIII. The author regrets the error.
